"A LOOK AT TODAY'S ISSUES FROM A CHRISTIAN PERSPECTIVE."

BUSY.....BUSY.....BUSY.....WE NEED YOUR HELP

Here is a list of projects that we have scheduled during the summer months. Please help us make a difference!

LIVING WATER PROJECT

In 2003 we handed out 2000 bottles of water at the Gay Pride parade in Columbus. We would like to revive this project again this year. The front of the bottle says **LIVING WATER : *Everyone who drinks of this water will get thirsty again...but if you drink the water I give you will never thirst again.*** On the side of the bottle is a website which takes them to **HOPE FOR HOMOSEXUALS...**a step by step plan of salvation and how to be delivered from the lifestyle. **COST OF PROJECT \$2000.** Please help us deliver the Gospel to those trapped in the lifestyle!!

Pass The Salt Lecture Series

Hosea 4:6 declares **"My people are destroyed for a lack of knowledge."** We at Pass The Salt are intent on bringing the finest speakers in America to Ohio to help inform Christians on the great moral issues of the day. We have already scheduled our first two.

July 12-13 Former Homosexual James Hartline

Hartline has a powerful testimony on his deliverance from drugs, alcohol, and 35 years in the Gay Lifestyle. He now lives and ministers inside the Gay community in San Diego. Harltine says that one **IS NOT BORN GAY** and only **JESUS** can deliver. What a **POWERFUL** Testimony! Details of where and when will be announced as the schedule is developed. Help sponsor this event. **Cost of flight, lodging, meals, and fees is \$2000.** Please help us with this valuable seminar!

July 25-27 National Author/Speaker William J. Federer

Bill is unmatched in America in his knowledge of Christian American History. He is a nationally known best-selling author, speaker, and President of Amerisearch a publishing company dedicated to our Christian Heritage. Bill hosts **The American Minute** heard on radio stations across America. Author of scores of books his "America's God and Country" has sold over 500,000 copies. **One of his topics will be "WHAT EVERY AMERICAN NEEDS TO KNOW ABOUT ISLAM."**

Cost of this project will be \$2000!.

Our plans are ambitious, but we know that these are two men that America needs to hear!

PLEASE CONTACT US IF YOUR CHURCH WOULD LIKE TO HOST AN EVENT!

OUR WORK IS BEARING MUCH FRUIT

Leadership Seminars Students at the church!

Johnny, Blake, and Tanner on the Streets outside the clinic

As we shared with you last month we have been working hard to educate the next generation of Americans to the Truth and the Power of the Gospel. We believe that the **BIBLE HOLDS THE ANSWER TO EVERY PROBLEM WE FACE AND THAT WE MUST TEACH OUR CHILDREN TO DEFEND IT!** Here are a few pictures of some of the fruit of our labors.

**.....From the Pew.....to the Streets.....
Storming the Gates of Hell!**

We believe it is critical to their growth as a Christian to get them to engage their faith at an early age. After the Leadership Seminar was over we challenged them to take their faith to the streets by visiting an abortion clinic in Columbus. On May 24, Memorial Day Weekend, we took a group to the clinic for the 1st time. It wasn't long before their hearts were touched. As one 11 year old said to me, *"Coach this is evil. Why do adults let this go on?"* He took the megaphone and began to speak to the mothers and fathers as they went in. **IT WAS AN AWESOME THING TO WATCH!** They are committed to going back and taking some friends with them!

Witnessing on the streets of Columbus

THE BATTLE OF THE BIBLE CONTINUES

Mt. Vernon resident Jeff Cline delivers a letter to the Superintendent's secretary demanding that the Board make a PUBLIC STATEMENT on their position regarding the Bible on the desk of a teacher. We are committed to this battle and will continue to keep the heat on the Mt. Vernon administration. We will not stand by and allow another God-given right to be stripped from Christians.

RADIO MINISTRY CONTINUES TO IMPACT

One pastor recently said to me, *"I have to admit you make me hot under the collar with what you say.....but to be honest with you, I usually end-up agreeing with you!"*

Mondays 6:30-8:00 PM

We see our radio-ministry as a great challenge to the Church. It is status-quo Christianity that is hurting this nation. We live in radical times where radical means are necessary to shake the church out of her slumber. That is what we do....challenge the church to be SALT and LIGHT to a lost and dying culture. Tell your friends about us. All of our past shows can be listened to at www.coachdavelive.com. **OUR RADIO BILL IS \$1500 PER MONTH!**

Saturdays 9:00-11:00 AM

WE KNOW FUEL PRICES ARE HIGH....OURS ARE TOO! THE PRICE OF EVERYTHING IS RISING!

BUT ASK YOUR SELF THIS....CAN YOU REALLY PUT A PRICE ON SHARING THE GOSPEL? THAT IS WHAT WE DO!

PLEASE HELP US IN THESE CHALLENGING TIMES! Thanks! Coach Dave
